MY KRISHI

Vendor & Supplier Policy

Effective Date: August 16, 2026

---

1. Purpose & Scope

This Vendor & Supplier Policy outlines the standards, guidelines, and obligations for all manufacturers, distributors, seed producers, and sellers ("Vendors") listing or supplying agricultural products on the **My Krishi** platform.

2. Vendor Onboarding & Verification

To list products on My Krishi, vendors must undergo a verification process and submit valid documentation, including:

- GST Registration Certificate & Business PAN Card.
- Mandatory Agricultural Licenses (Seed License, Fertilizer License, Insecticide License as per Indian Government regulations).
- Manufacturer Authorization Certificates (if acting as a distributor/dealer).
- Bank details and cancelled cheque for payout processing.

3. Product Quality & Compliance

- **Authenticity:** All products must be 100% genuine, unadulterated, and sealed in original manufacturer packaging.
- **Expiry & Batch Details:** Products such as seeds, fertilizers, and bio-chemicals must have clearly visible manufacturing dates, batch numbers, and adequate shelf life remaining.
- **Prohibited Items:** Counterfeit products, banned chemicals, or unverified/unlicensed seed varieties are strictly prohibited.

4. Pricing, Inventory & Dispatch

- Vendors must maintain accurate stock levels on the portal to prevent order cancellations.
- Products must be sold within maximum retail price (MRP) guidelines.
- Orders must be packed according to My Krishi packaging standards and prepared for dispatch within **24 to 48 hours** of order placement.

5. Vendor Payouts & Commission

- My Krishi will deduct a agreed-upon platform commission fee per successful transaction.

- Payouts for fulfilled orders will be transferred to the vendor's registered bank account on a bi-weekly/monthly settlement cycle, after deducting returns or refunds.

6. Termination & De-listing

My Krishi reserves the right to suspend or permanently terminate a vendor's account in the event of selling counterfeit goods, failing quality inspections, repeated delivery delays, or violating legal agricultural regulations.
